

NEW RANGE OF UPRIGHTS

FOOD SOLUTIONS

NEW BOTTLE COOLERS

Cooling with confidence

Designed for discerning customers, these coolers integrate technology with convenience and sleek aesthetics.

Captivating display

- Illuminate your selection with full side LED lighting, providing optimum visibility.

Technical specifications

- **Model:** M130 – M185 – M205
- **Capacity:** 179 L – 358 L – 451 L
- **Temperature range:** +1°C to +9°C
- **Noise:** 46–48dB

+1°C
+9°C

NEW STORAGE COOLER

Cooling with confidence

Designed for discerning customers, this cooler integrates technology with convenience and sleek aesthetics .

Technical specifications

- **Model:** MS185
- **Capacity:** 358 L
- **Temperature range:** +1°C to +9°C
- **Noise:** 46-48dB

+1°C

+9°C

Low Energy

- Featuring low energy consumption that reduces operational costs and supports your eco-friendly initiatives.

Easy Clean

- Maintenance is a breeze with the easy clean plastic inner liner, allowing for quick wipe-downs and a hygienic environment.

Consistent cooling

- The internal fan circulates air efficiently to maintain the perfect temperature for every bottle.

NEW FREEZER

Cooling with confidence

Designed for discerning customers, this freezer integrates technology with convenience and sleek aesthetics .

Technical specifications

- **Model:** MF185
- **Capacity:** 276 L
- **Temperature range:** -18°C to -24°C
- **Noise:** 41dB

MF185

-18°C

-24°C

Goodbye defrosting

- The no-frost technology prevents the build-up of ice, ensuring a maintenance-free operation.

Robust construction

- Keep the cold in and the heat out with the solid door design.
