## UPRIGHT BOTTLE COOLER

Experience the Low EC technology that minimizes energy consumption while ensuring optimal cooling. The easy clean plastic inner lining and internal fan promise effortless maintenance and consistent temperature distribution.

| STANDARD TECHNICAL SPECIFICATIONS                                  |  | VALUE                 |
|--------------------------------------------------------------------|--|-----------------------|
| Volume, Gross / Net (l)                                            |  | 373/358               |
| Dimensions (External) (W x D x H) (mm) (Without Handle)            |  | 595 x 600 x 1795      |
| Dimensions (Internal) (W x D x H) (mm)                             |  | 505 x 425 x 1613      |
| Dimensions (External with Package) (W x D x H) (mm)                |  | 615 x 640 x 1935      |
| Can Loading Capacity (Std / Max (330 ml))                          |  | 406 / 476             |
| Facing (330 ml St. Can)                                            |  | 7                     |
| Shelf Quantity                                                     |  | 5                     |
| Refrigerant Type                                                   |  | R600a                 |
| Refrigerant Quantity (gr)                                          |  | 55                    |
| Climate Class (EN23953, EN16902)                                   |  | 4/CC2K4 (32°C/65% Rh) |
| Ambient Temperature Range (°C)                                     |  | +16 / +35             |
| Temperature Range (°C)                                             |  | +1 / +9               |
| Voltage / Frequency (V / Hz)                                       |  | 220 ~ 240 / 50        |
| Noise Level (dBA)                                                  |  | 46-48                 |
| Loading (20' DC Container) (units)                                 |  | 27                    |
| Loading (40' HC Container) (units)                                 |  | 57                    |
| Loading (Truck, 13,6 m) (units) (Built-in / with External Handle)  |  | 84 / 80               |
| Weight Net / Gross (kg)                                            |  | 71 / 80               |
| HIGHLIGHTS – STANDARD ELECTRICAL SYSTEM SPECIFICATIONS             |  | VALUE                 |
| Energy Consumption (kWh / 24h)                                     |  | 1,21                  |
| Annual Energy Consumption (kWh/Year)                               |  | 442                   |
| Energy Efficiency Index (EEI)                                      |  | 26,5                  |
